TEN STATION LAVATORY

Starline's ten-station lavatory offers a practical and efficient way to provide clean, comfortable restroom facilities in outdoor or hard-to-reach locations.

This mobile unit includes two separate, gender-specific sections, each outfitted with flush toilets, urinals, mirrored vanities with sinks, and heated running water. Designed for ease of use, this portable restroom delivers a hygienic, well-equipped solution for a variety of settings where permanent facilities aren't available.
