Comfort on location, powered by the sun.

BASE CAMP SUPPORT

SOLAR-POWERED STAR WAGON TRIPLE

Three Private Suites. One Quiet, Self-Sufficient Unit.

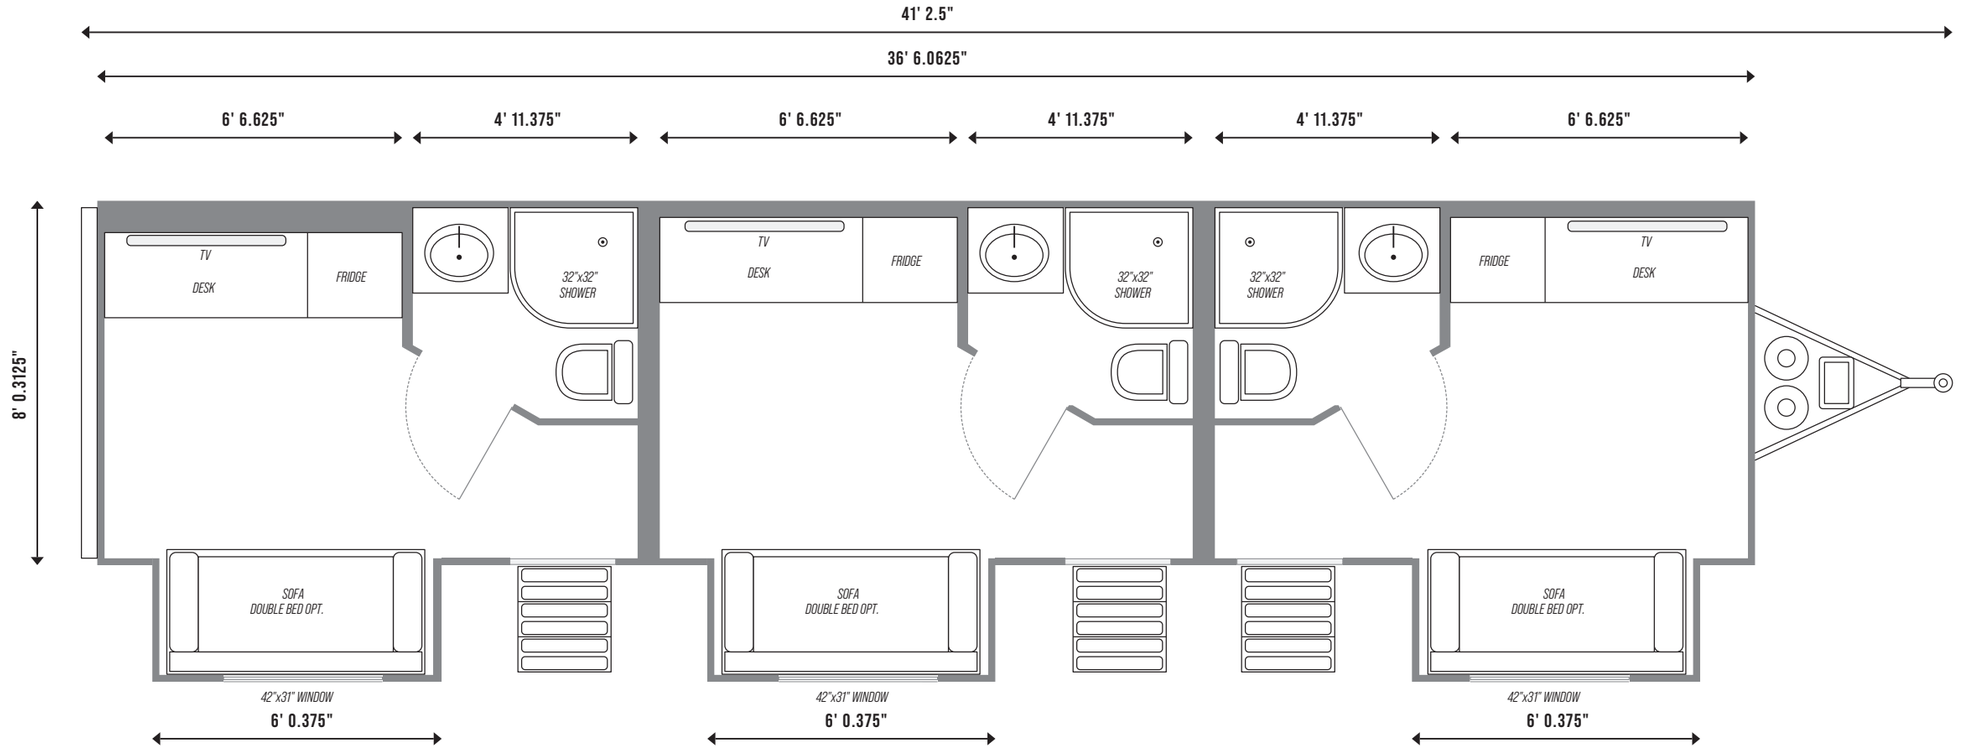

Built for productions that need to house multiple cast members in comfort, this trailer gives each artist a private suite with its own washroom, shower and climate control, plus a sofa with an optional double bed. A 30 kWh solar battery bank keeps base camp running quietly, with less reliance on generators.

SOLAR-POWERED STAR WAGON TRIPLE
